SYNOPSIS

My mum is a forget-me-not,

A bloom of white without a spot

And I'm a quiet melody

Just hibernating sleepily

William's mum digs a hole in the vegetable garden so deep that she disappears. Dad has to go out and pull her back up. The next morning, William's dad wakes up with a bouncing leg. "I just need to run it off", he says and disappears out the front door. William is left with his dog, Sausage, and a mum who is stuck. But then William has an idea and starts to sow a gorgeous dress made out of flowers for her.

Forget Me Not is about having a mum who cannot be there and a dad who is too afraid to be there. And about a son who just wants everything to be normal and the way it used to be. It's a book that gently describes how a child reacts when a parent suffers depression or otherwise disappears.
