SYNOPSIS

Frantz lives on a nice, old farm far out in the country-side. He likes his neighbour, the Pilot, even if he is a bit mad.

One day, the Pilot teaches Frantz to fly. You just have to close your eyes, then you can fly around the world. Frantz learns to shoot down German aeroplanes during the Second World War.

But his friend, Karl, also wants to learn to fly. And he won't hand over Frantz's flight goggles again...
