## SYNOPSIS

It is the day before Christmas and Little Twig looks outside. She wishes so hard for just a little bit of Christmas snow and in the middle of the night soft snowflakes in fact start to fall from the sky. It will be a most perfect Christmas! But when Little Twig gets up on Christmas day, she discovers that Mama Trig has fallen ill.

"We need to do without the Christmas goods this year", Mama Twig snuffles, but Little Twig will hear none of that and she decides to take the case into her own paws. Luckily, there are several other small animals who would like to help Little Twig, so she can celebrate a true Christmas with her Mama. Little Twig visits the Red Robin, the Hare and the Squirrel and soon her little sledge is packed with goods. She even gets a present for Mama Twig. But will her own Christmas wish come true?
