Oxygen Hunt (1) - Survival

Iltjagt: Overlevelse

It's difficult to be a good person when your own life is at risk...

Nicole Boyle Rødtne (born 1985) is a popular Danish children's book and YA writer

SYNOPSIS

In a bleak future, every breath costs money. Only the rich can afford quality oxygen. The poor have to make do with poorer oxygen, which slowly makes them sick. Liam and Alex have had to fend for themselves since an accident killed their father and sent their mother to the hospital. They struggle to get enough money for oxygen for themselves and the ventilator that keeps their mother alive. But in the hunt for money and oxygen, they get caught up in a life-threatening game...

Survival is the first book in the series, *Oxygen Hunt*.
