SYNOPSIS

A super entertaining, a bit grotesque and rather gross graphic novel series about friendship and animosity. Because the teenager, Ziggie, and his cunning cat, Kitty Poo, love each other. Or love to hate each other.

Ziggie is away at a summer camp, so Kitty Poo is having a ball. It looks forward to enjoying a couple of days without blame, shame and the smell of sour feet. But happiness is short. Because after a series of unlucky fatalies, Kitty Poo runs out of lives and is suddenly in limbo - dead as a doornail.

Kitty Poo has lost all of his remaining six lives and now has to face God and convince the Devil that it doesn't belong in Hell after all, but at home with Ziggie.

The first book, KITTY POO: REVENGE IS SWEET AND REEKS OF FISH! won the Best Graphic Novel of the Year Award by The Copenhagen Libraries, as well as the Orla Prize 2023 in the category "The Book that made me wet my Pants with Laughing".

Both the first and second books were nominated for the Ping Prize.

The fourth book is currently nominated for the Orla Prize.
