## SYNOPSIS

Why do adults have children? Ziggy thinks he has found the answer: they do it so that have someone to blame for everything. But if the adults are not completely heartless, they choose to have more than one child, so the children can blame each others – also known as “sibling love”. Unfortunately, Ziggy's parents only had him, so he has to put up with all kinds of more or less unreasonable accusations.

He is therefore exceedingly happy when he gets a cat. Because cats are not able to tell on you and CutiepieRonaldo is the obvious scape goat for all the things that Ziggy would otherwise bear the brunt for alone.

However, when CutiepieRonaldo one day mistakes Ziggy's bed for the cat tray, it becomes the kick-off for a war on life and death between Ziggy and Shitty Kitty – CutiepieRonaldo's new nick name.

Shitty Kitty is not prepared to forgive Ziggy for all the unreasonable accusations and with the help from the other pets in the neighbourhood - the conflict shy fighting dog, Killer Karen; the incredibly gluttonous, Peter Pug, and the deceased, Ooze Mouse – Shitty Kitty starts a bloody revenge plan which will do Ziggy in, once and for all.

The graphic novel, SHITTY KITT: REVENGE IS SWEET AND REEKS OF FISH is a crazily funny tale about a teenager and his cunning cat caught in an eternal

rivalry.

Winner of *The Best Graphic Novel of the Year Award* by The Copenhagen Libraries, as well as the Orla Prize 2023 in the category "*The Book that made me wet my Pants with Laughing*".

The second book is currently nominated for the *Ping Prize*.
