Sun would really like a pet and especially a dog. Mum says that they are not allowed to have pets in their flat. But Sun has the same relationship to rules as she has to the dentist. And new shoes that at too tight... So, if she is not allowed to OWN a dog, then she can just BORROW one... and forget to give it back again. Sun makes a plan and it will no doubt work out woofingly well, because Sun does not stop at anything. It's one of the things she has from her dad, Donor.
