SYNOPSIS

Kajsa is the city's best climbing thief. She lives in the sunken city, where all the houses and streets are flooded. Fortunately, her best friend, Isak, has a battered underwater boat, which they dream of repairing to sail far away together.

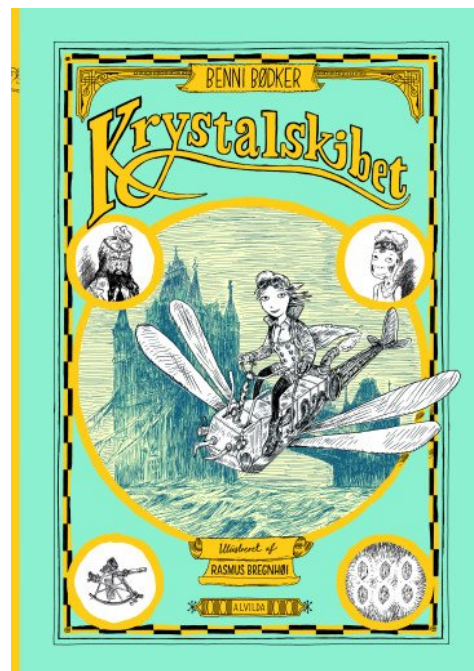

But one day Kajsa steals some valuable crystals, and suddenly she and Isak have the town's most feared criminal after them...

The Crystal Ship is a magnificent adventure on water and in the air, about friendship, betrayal, water rats – and some very special crystals.
