The Great Exploration of the Radionauts

Radionauternes store opdagelsesrejse

This is a book for everyone who is curious about science - come along on an engaging journey to see how magical and fantastic our world is. Main target group is children between 4-7 and their parents.

Lisa Bay is a Danish podcast host.

Karen Brüel Birkegaard is Danish podcast host.

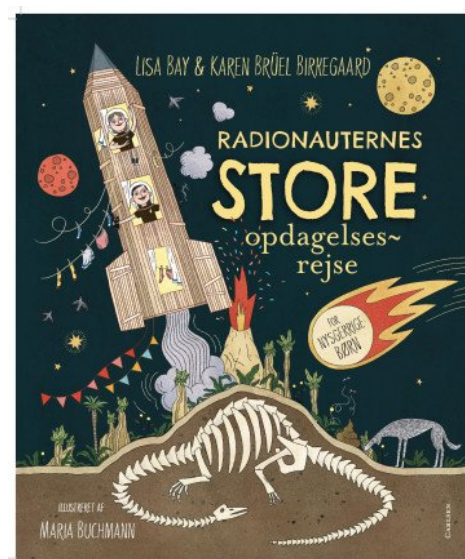

SYNOPSIS

Come along on a journey of exploration through the child's first cell, meet the first animal that walked on land, and travel out into space to see our own galaxy from up above.

The Radionauts love to discover new things about our fascinating world and they need all the help they can get from curious children on their exploratory journey, racing through the body, entering down into the sewer, or finding mystical animals at the bottom of the deep sea.

The Radionauts are known from their popular Danish science podcast for children, Denmark's biggest children's podcast. .

Their new book is illustrated through-out by Maria Buchmann.
