The Silent Three: the Bell of the Dead (3)

De tre tyste: Dødeklokken (3)

Synne Kirstine Eriksen's fantasy trilogy, *The Silent Three* is a sublime reading experience, absolutely on par with the big established writers within the genre. Packed with atmosphere, layers of meaning and the most beautiful, flowing language, this series is truly un-put-downable. *The Bell of the Dead* is the third and final book in the trilogy.

Synne Kristine Eriksen is a true storyteller - her writing envelops you and stays with you for a long time after you have put her books down. In her series, *The Silent Three*, she does what J.K. Rowling and George R.R. Martin did so convincingly before her: creates a universe that is completely her own, just lying there ready for you to dive in.
