When I was a Supervillain

Dengang jeg var superskurk

A fast-paced and humorous new novel for 10-14 year-olds about a nerdy boy with a dry sense of humour, who decides to become a supervillain.

Christine Brandt Christensen is a young Danish debut writer, who started work on her novel when she was only 19 years old.

The new supervillain, Brain Guy, has arrived in town and he's ready to take on the loud-mouthed superheroes! Well... at least he wants to try, because the loudmouthed superheroes are his own brothers and, in his opinion, they deserve a lesson.

Unfortunately, the new supervillain - Noah - is not the most competent of the bunch. But fortunately, he gets help... no wait ... UNFORTUNATELY, he gets help from his crazy cousin, Amina, and together they cause enough trouble for the brothers, but suddenly also for themselves ... and their family ... and the whole city.

A strong debut by 21-year-old Christine Brandt Christensen.
