All I Remember

Alt hvad jeg husker

Well-written psychological suspense novel by promising young writer.

Michela Elk (b. 1991) is a graduate from the Manuscript School for Children's Fiction in 2023. She is drawn towards telling those stories that become alive in the meeting between darkness, hope and everyday magic.

SYNOPSIS

I can remember the pulsating rhythm of the ground and your running steps and your hand that slipped out of mine. I can remember when you jumped. That I remember.

All I Remember is a psychological drama where the truth continuously shows itself from different angles.

Freja has lost her best friend, Malou, who jumped out in front a train. While the police investigate the death, Freja returns to her everyday life where everyone is puzzled about why Malou took her own life. As the only witness, Freja gets a lot of questions that force her to think about the night when Malou died. And about their friendship in the time leading up to her death.

The more she remembers, the more she doubts how well she actually knew her friend. And as the police dig deeper and deeper, there are several inconsistencies.

What actually happened with Malou on the tracks?

Gry Kappel Jensen

Roses & Violets: the Rosenholm trilogy (1)

Roser og violer: Rosenholm trilogien (1)

Roses & Violets is the first book in the bestselling YA trilogy, which is now also going to reach an English- and German speaking audience in 2023.

Gry Kappel Jensen is the author of the bestselling YA fantasy series, *Rosenholm*, published in Germany, Italy, Poland and US.

SYNOPSIS

Four girls from very different backgrounds are making their way to the mysterious Rosenholm Boarding School from different corners of the country. The one thing they have in common is the strange offer they have received to apply for a place at what will turn out to be a school for magic, deeply embedded in Nordic mythology, nature magic and shamanism. The girls have been invited to apply for a reason that is as yet unknown to themselves, but already during the unorthodox application tests, it becomes apparent that a spirit is trying to establish contact with the girls. It turns out that a young girl was murdered under mysterious circumstances in the 1980s and the killer was never found. Her spirit is still haunting the place, and she is now urging the four girls to bring justice and find the killer. But someone is keeping an eye on them and it quickly becomes clear that their lives are in danger.

Aimed at 14+, *Roses & Violets* is on one level a classic coming-of-age tale, about identity, friendship and (forbidden) love. On another level, it is an original fantasy novel, full of magic, romance and mystery, bound to thrill teenagers and YAs alike, also internationally.

Translation of full review from Weekendavisen:

“Steal like an Artist” is the name of a popular handbook for creative souls. All stories ever told were inspired by other stories, the author Austin Cleon claims. Nothing is completely original. But what do you do if you want to write something that hasn’t been read before?

The art is to be inspired by a lot of different things, Cleon thinks. And to mix the ingredients until the dish tastes like something else.

Take for example *Roses & Violets*, the first volume in a Danish series about a group of young people who attend a mysterious boarding school for magic. Every book in the series covers an entire school year and the story is part crime and part everyday drama in the school hallways. Does it sound familiar? A bit

Harry Potter-like, maybe? I think so, at least.

But the author Gry Kappel Jensen is not only inspired by JK Rowling's books. The magic, they study at the castle-like boarding school, draws on Nordic mythology, Viking rituals and much more. And the main characters of the novel are girls who are just as preoccupied by the Twilight-attractive boys at the school as they are by magical mysteries. Kappel Jensen has stolen like an artist and *Roses & Violets* tastes of something new.

The main characters are the four girls Kirstine, Victoria, Kamille and Malou who are room-mates at Rosenholm – the name of the boarding school – but they couldn't be more different. Kirstine is dyslexic and has extremely religious parents. Victoria is beautiful, sad and rich. Kamille grew up in the woods with her hippie mum. And Malou is a sarcastic high achiever with a dark past.

The four have each their magic speciality which cleverly emphasise issues that girls might struggle with in their everyday lives. Victoria is for example able to see spirits, which makes her highly strung and ruins her sleep. And Malou is a blood magician: she releases her powers by cutting herself. Together the four girls need to solve a murder mystery. More you do not need to know.

On the other hand, I am happy to reveal that *Roses & Violets* is a page-turner. With four sympathetic main characters at the wheel, the tale races towards its sufficiently unpredictable culmination. Which of course leaves an open end to be dealt with in the sequel.

Roses & Violets is not original, but it is captivating, well-written and constantly entertaining."

The Silent Three: The Guardian (1)

De tre tyste: Beskytteren (1)

Synne Kristine Eriksen's fantasy trilogy, *The Silent Three* is a sublime reading experience, absolutely on par with the big established writers within the genre. Packed with atmosphere, layers of meaning and the most beautiful, flowing language, this series is truly un-put-downable. *The Guardian* is the first book in the trilogy.

Synne Kristine Eriksen is a true storyteller - her writing envelops you and stays with you for a long time after you have put her books down. In her series, *The Silent Three*, she does what J.K. Rowling and George R.R. Martin did so convincingly before her: creates a universe that is completely her own, just lying there ready for you to dive in.

SYNOPSIS

An ancient forest. A bell that splinters. A boy who has lost something precious.

Sigurd lives a quiet life in the Forest, far away from the Jarl's court. He chops wood. He hunts. He is careful to stay inside when darkness falls.

The Forest is ancient and full of dangers, but Sigurd's little hut under the oak tree is a safe haven. Sigurd does not know why it is so; he just knows that it is. Until one morning, when everything changes.

Sigurd's beloved sister Svanhild disappears, and he must leave the Forest home he shares with her and his grandmother to embark on a quest to find her. But Sigurd is soon swept up in events that are bigger than him. Political intrigue and secret plans, warmongering and murder, and greatest of all, the invasion of the Forest by a dark power that threatens everything he knows.

When he encounters Myrhat, a strange Forest creature and one of the mythical Bellmakers, he realises that there is something very sinister about his sister's disappearance. Together, Sigurd and Myrhat must journey through the Forest, slowly unravelling the truth about the darkness that is seeping through it, and about Sigurd's own past.

Lars Daneskov

Fatal Outcome

Med døden til følge

A psychological thriller for 12+ about mourning and longing and about the obligation to continue living, even when someone close to you dies.

Lars Daneskov (b. 1963) is a journalist and author and has written about 30 books in a variety of genres, for both children and adults.

SYNOPSIS

The dead boy's room is on the second floor at the end of the hallway. When Liva has friends over, that is always what they want to see.

This was where her older brother, Victor, lived and behind the closed door, the room looks exactly like it did on the day when he died three years ago. The family is stuck in that moment in time, savouring every detail of their memory of him.

Until Liva discovers the imprint of a body on his otherwise meticulously made bed and makes the nerve-wrecking discovery that he has disappeared from his class photo from back then.

Victor is no longer among them. But perhaps that is in fact precisely what he is.

Fatal Outcome is a book about the living not being able to let go of their dead, and the dead not being able to let go of their living. It is an important book about a topic that would have been unbearably tough if it was done 1:1, but which - wrapped in the suspenseful outer frame of the ghost story – becomes a welcome opportunity to talk about mourning and how we deal with it.

Gertrude Kiel

The Time Chase

Tidsjagten

A philosophical adventure about the mysteries of time and its many shapes and meanings.

Gertrude Kiel is a Danish author of international caliber, who writes engagingly about big universal topics.

SYNOPSIS

This is a detective story. A murder mystery. But it's a rather different one. The killer is already known, you see. The problem is to find the killer and measure out a proper punishment. For the killer is time itself, and this is the story about a boy named Otto, his bird Virgil and their best friend Ana, and the strange journey they embark on together to find and kill time.

The Time Chase is set in an anachronistic world full of gothic melancholy, seafarers, mermaids, clockmakers and pirates – and death, of course, loves to play chess.

By taking our sayings about time literally and exploring them, the protagonists of the story learn that measuring time is only a means to understanding it, but doesn't really affect time itself. They also learn, that without time, there would be no meaning in our world at all.

Besides being a story of time, it is also a story about life and death, loss and coping with it; a story about friendship and especially a story about choosing your own path and trusting your gut feeling, even when it leads you to act against the current of normal convention.

REVIEWS

"It takes a writer of calibre to keep track of the incredibly influential nature of proverbs about time in our part of the world, as well as science-based information about e.g. the speed of light and the qualities of the chronometer. Gertrude Kiel has it all completely under control. And without revealing too much, the ending of the novel will unlikely disappoint the reader." – (4 hearts in *Politiken*)

Mette Vedsø

When the Heart is a Hand Mixer

Når hjertet er en elpisker

Winner of the *Danish Ministry of Culture's Children's Book Author Prize 2018* has written yet another powerful tween novel, which has been included in *The White Ravens 2020*.

Mette Vedsø (b. 1968) studied chemistry and biotechnology, then trained at the Writer's School for Children's Literature. Since 2010, she has written several critically acclaimed children's books, including picture books and tween novels. Her work is suffused with an implicit understanding for children, especially the slightly displaced ones with big hearts – her observations and writing are moving, subtle and poetic.

SYNOPSIS

Mette Vedsø has written yet another moving and thought-provoking tale, giving voice to a child in distress. She has previously written about friendship, coming-of-age and horses in her award-winning novel, *Hest Horse Pferd Cheval Love* and *Liv, Life, Leben, Vie, Love*, and about a boy from a socially deprived home who gets a chance at a new beginning in *Far from the White House*. Now she is back with a glimpse into the life of a high-achieving teenage girl struggling with anxiety.

When the Heart is a Hand Mixer is included in **The White Ravens 2020**. Here is what they write:

During English class, Pi suddenly collapses. Everything goes black; dizziness; boom. At the hospital, she is diagnosed with anxiety disorder. Her parents, well-off workaholics for whom high performance and success are everything, only want the best for their daughter. They arrange therapy after therapy, so that she can cope with »the crisis« as quickly as possible, go back to school, and function well. Yet that doesn't work. Pi takes the time she needs and makes friends with three extraordinary people in her apartment block: Gillian Brown, an elderly lady, plus Bianca and her daughter, Vicky, all three of them street-wise, warm-hearted, and imperfect. Pi gets to know different ways of living and realizes that she is perfectly okay the way she is; and at some point, so do her parents. Pi, who tells her own story, is curious, clever, and a good observer. She is definitely no sociophobe, but rather open-minded and helpful. The four inhabitants of the house quickly become very close, and Pi benefits more from this closeness than from any school lesson.

Zakiya Ajmi

Volcano

Vulkan

A superbly well-written debut novel, about finding yourself and the right person to love.

Zakiya Ajmi is a widely celebrated debut author. She was nominated for the Nordic Literature Council's Children's Book Prize in 2022 and shortlisted for the Cultural Ministry's Children's Book Author Prize.

SYNOPSIS

Nominated for the [Nordic Literature Prize](#) in 2022 and shortlisted for the Danish Cultural Ministry's Children's Book Author award 2021, bright young star, Zakiya Ajmi, has written an evocative tween novel about Anna, who is trying to start afresh with her mum, after her parents have had a violent break-up. They have spent some time at a crisis center, but have now got a flat of their own in another city.

The novel is a love story, but as Anna has experienced in her short life, love between people can be expressed very differently. The love between her parents developed into something scary. For Chili, Anna's new friend at school, the love she feels for her boyfriend, Oscar, overshadows everything. But is it reciprocated? For Anna, her meeting with Idris becomes very special, but it is hard for her to find her way on the path to love, when she keeps getting entangled in other people's relationships. Anna wants to start afresh, but it can be hard to start chapter two, when chapter one in some way never ends.

[Here is what the Nordic Literature Council wrote about the book:](#)

Volcano is a youth novel that explodes in many ways. Not only in the language, but also in its original structure which changes the traditional chronology by beginning and ending the book with Chapter Two. It is a rootless and insistent tale about place and displacement - told in its very own way. Dialogues, text messages and perplexed thoughts are mixed in an original composition, where not only what happens inside oneself, but also inside the middle of the earth, has its significance for the the characters in the book. Everything in the novel is about to explode.

(...)

Volcano is a social-realistic YA novel, narrated in a raw, poetic and whimsical way. A story about tripping and getting back up on your feet. There are hints at the traditional Bildungsroman in its classic structure here, with a close look at the feeling of belonging, Anna is homeless, a kind of nomad in her own life, and restlessness is a driving force both positively and negatively. Zakiya Ajmi has a rare and honest identification with a credible narrator that fortunately never becomes neither moralising or didactic. It is said that you learn from your

mistakes, but what you perhaps learn most of all in this novel is to say sorry - and mean it.

The YA novel, *VOLCANO*, is most certainly a volcano. You are in every possible way branded by the energy in every single sentence and the particular vulnerability of the words that creeps in and stays with you. Zakiya Ajmi is a writer who wants to achieve something with her narrative. She wants to shake the old world so we can have a new one, in which we are able to talk about all the things we usually omit to discuss.

Part of **Books from Denmark**, Autumn 2021 (chosen by the Danish Arts Foundation).

This is a book that wants to do a lot, and succeeds" – (5 hearts in *Politiken*)

"...an in turn well written and captivating youth novel about violence and boundary setting, but also about budding love and about finding oneself (...) there is a lot to take away and reflect yourself in for readers from approximately 13 and up " – (*The Learning Centre*)
